A Valuable Farm for Sale.
The subscriber will sell his highly improved and valuable Farm called **ROSE HILL**, in the County of Fairfax, four miles and a half from Alexandria, and ten a half from the City of Washington, in a pleasant and agreeable neighborhood, containing
394 ACRES.
As this Estate is so generally known, a particular description of it will be less necessary. The soil is in a good state of cultivation, having been managed for several years past with a view to its improvement. There are about two hundred and fifty acres cleared and divided into eight fields, well fenced; the balance is in wood and timber. There are from forty to sixty acres of meadow land, well ditched and drained, part of which is well set with clover and timothy; the balance designed to be put down in grass the ensuing fall. There is a young thriving **APPLE ORCHARD**, of about two hundred trees of choice selected fruit, besides a variety of excellent summer fruits. This Farm is delightfully watered; Dogue Run passes through it, and it abounds in springs of most excellent water, which continue to run through the farm in the drier seasons. The buildings are good, consisting of a large **FRAME DWELLING HOUSE** of two stories, with four rooms and a wide passage, built very substantially and of the best materials, and every necessary out house to accommodate a large family. The Garden and Yard are well designed and improved. From the house there is a commanding view of the Potomac and surrounding country, and for healthfulness and beauty of prospect it is perhaps surpassed by none. The price and terms of payment will be made known by application to **Gen. JOHN MASON, or S. H. JANNEY, Alexandria, D. C.**
Or to the subscriber, on the premises,
JAMES RUSSELL,
